

Dear General Cabell,

Executive Registry

11-2941

I thought you might care  
to see the enclosed article.

Forgive the Navy, though!  
I tried to tell them three times  
that our USAF intelligence research  
at Maxwell AFB had been  
"deactivated"; but they don't seem  
to get it!

Sincerely,

Maurice T. Price

Lieutenant General Charles P. Cabell  
Ballou Air Force Base  
Washington 25, D.C.
